Dear Parents,

ANGLESEA CAMP – GRADE 6

DATE: 7TH JUNE – 10TH JUNE 2010

COST: \$365

TRAVEL: COACH

Next year, the Grade 6 children will have the opportunity of attending Burnside Camp at Anglesea. Facilities provided at this campsite are of an excellent standard.

As an introductory activity to Grade 6, this camp is great! We believe that it is a fantastic way to start the year and promote positive relationships between the students and the teachers.

As we need to establish the number of campers to complete planning, we would appreciate it if you could complete the attached permission slips for the camp and for surfing, and return them to school with the **non-refundable deposit of \$65**, by **MONDAY 30th NOVEMBER.**

We are aware of the high cost of this camp. The reason for this cost is that, being an outdoor education camp, it covers activities such as swimming at the beach, canoeing, bike riding, high ropes, low ropes, flying fox and surfing. Due to the nature of these activities, we require a low adult/student ratio. Swimming at the beach, for example, requires a ration of 1:5, as well as the hiring of trained lifeguards. As you can see, the overall enjoyment and safety of your child is of paramount importance to us.

With all of these fantastic activities and experiences offered, it is easy to see why this camp is considered one of the highlights of Greenhills students' primary years.

Final payment for the balance of \$300 is requested by **FRIDAY 26th FEBRUARY 2010.** Installments are welcome at any time between now and the final due date.

If you have any queries, please don't hesitate to contact us.

Thanking you,

SARAH LEACH AND BRAD RYAN
Camp Coordinators

Please complete the following permission forms and return them with the deposit by **MONDAY 30th NOVEMBER, 2009.**

- The first form is to indicate if your child will be participating in a 2 hour Surfing lesson. During the camp, the children will have the opportunity to participate in a surfing lesson with qualified instructors from "Go Ride a Wave". The lesson includes the use of a wetsuit and surfboard. The price is included in the overall costs of camp. The children will be strictly supervised during the lesson. Information about the surfing lessons has been included.
