**What's been happening in Preps at Greenhills this week???**

This week the children had lots of fun on their special adventure flying around Europe! The children visited many countries during our Cultural Day, including Germany, France, Italy, England and The Netherlands. They took part in many activities, such as sampling different foods, speaking various languages and making special crafts. The children did an amazing job on the day, displaying a remarkable knowledge of the world around them. A very special THANK-You to Uli Prep K) for doing such a wonderful job teaching the Preps all about Germany.

I liked making my windmill. It was from Holland. I flew on a plane to Italy and we were taught some words. We went to the Queen's palace and we had pikelets and water for morning tea with the Queen. We flew back to France and we built the Eiffel Tower and we made them out of sticks and play dough. We got to make fun stuff.

I went to Germany. I learnt how to say hello. In England we had a tea party with the Queen and we made a crown. We were soldiers and we had to stand there and try not to laugh when other people were silly and trying to make us laugh. It was hard. I laughed! We went to Italy. We got to make pictures of ourselves and there were Italian words that said "My name is". I can say a bit of Italian.

VERSE 1

Australians all let us rejoice  
For we are young and free  
We've golden soil and wealth for toil,  
Our home is girt by sea:  
Our land abounds in nature's gifts  
Of beauty rich and rare,  
In history's page let every stage  
Advance Australia fair,  
In joyful strains then let us sing  
Advance Australia fair.

VERSE 2

Beneath our radiant Southern Cross,  
We'll toil with hearts and hands,  
To make this Commonwealth of ours  
Renowned of all the lands,  
For those who've come across the seas  
We've boundless plains to share,  
With courage let us all combine  
To advance Australia fair.  
In joyful strains then let us sing,  
Advance Australia fair.
