## A BIG WELCOME TO OUR NEW PREPS

A very special welcome to all our new Prep students and to our new families. The Prep students have had a magnificent start to the year and are ready and excited for a fabulous year, full of great new adventures, fun and learning! A big thank you to our Prep team who were able to deliver the very best transition program possible with all of the different restrictions that were in place in 2020. This effort has certainly had a very positive impact on how our students have started school this year.

## GREAT DAY

On Tuesday we “officially” launched our new GREAT values with our students. These are Grit, Respect, Effort, Adventure and Teamwork.

The day started with a special guest speaker Don Elgin. Don is an athlete who represented Australia at the Paralympics and World Championships. He is also a very motivational speaker who uses his life experience to share a message about what you can achieve through hard work, grit and determination and having a smile on your face at the same time. It was a very engaging morning as Don was able to share his thoughts about our GREAT values and how important it is for us all to live them each day.

Here is a link to his website: <https://doneelgin.com.au>

Here is the link to the 7 daily tips he’s shared with our students and staff: <https://doneelgin.com.au/dons-daily-tips>

Over the course of the rest of the day, all of the students were mixed into multi-age groupings spending time learning about and launching into each of the 5 values. Here are some photos that highlight some of the learning, fun and adventure we had on the day.

As a little follow up at home, ask your child/ren if they know what our values are for a bonus point see if they can tell you what they mean!

## **iPADS @ GREENHILLS**

GREAT news – our Year 5/6 1:1 iPad Program is now in the very final stages of being ready to begin for 2021. This means we have nearly completed setting up all of the Year 5 students' iPads on our system. A big thank you to Ed Kinder our ICT technician who has worked very hard on his one day a week time fraction at our school to achieve this.

The next step is shifting focus onto setting up all of our Year 3 and 4 students. We ask that all iPads are sent to school from the week beginning of 1<sup>st</sup> March. This will then give our team a few weeks to set up all the devices and make sure we are fully ready for the start of Term 2.

If there are any Year 3 & 4 families who are still in the process of organising an iPad to purchase, one option is through CompNow, the link is : <https://shop.compnow.com.au/school/greenhillsps>

## **PA UPDATE**

We had a GREAT turn out for our very first PA meeting this year. Thank you to everyone who is returning and welcome to our new members including some new prep parents. Thank you to Josh Lucas who has volunteered to be our PA president and Convenor and Justin Parr-Davies who will be the PA Secretary.

2021 will be an important year for our school community as we re-build our on-site presence and community events. The most important role of the PA each year is to build a connected school partnership. This starts with our sense of belonging to our school and embracing our unique and diverse community. As such not all events need to have a fundraising agenda and can focus on community building instead.

We have some exciting plans for this year and we welcome new members at any time. The next meeting will be held at 7pm on Tuesday 9<sup>th</sup> March in the staffroom. Hope to see you there!

## **PARENT - TEACHER COMMUNICATION**

It was GREAT seeing so many parents attending the Meet the Teacher interviews yesterday. Communication between home and school is extremely important and something we take very seriously as we are keenly aware of the benefits to children of a team approach. Children benefit most when parents and teachers work in partnership. To this end, it is important that communication is ongoing and not just something that only occurs after reports go home or when a problem arises.

We are very lucky at Greenhills to have a staff who are extremely professional in their approach and who are passionate about providing the best possible education for all students in their class. They are more than willing to make themselves available on a regular basis. To facilitate this process it is important to remember to:

- Address problems or issues as soon as they arise. Don't dwell on a problem or spend lots of time discussing it with other parents in the yard as this can compound the problem.
- Contact the teacher by email to organise a time to meet. The beginning of the day can be very busy and teachers would prefer to be able to sit and have a proper discussion with you.
- Ensure that discussions are respectful and calm. It is always important to ask questions before making an assumption that is based on what a child has reported has happened. The child is only able to see the issue from their own perspective and there may be a different context that needs to be discussed.
- Give the teacher the opportunity to discuss the issue with your first. If a resolution cannot be reached, both myself and Janine Hough our Assistant Principal are always happy to become involved in order to help ensure the best outcomes can be reached.

## **WE NEED YOUR HELP – STUDENTS WITH LIFE THREATENING ALLERGIES**

We have a number of students at our school with potential life threatening allergies. These anaphylactic reactions are often triggered by coming into contact with nuts. Whilst we can never say we are a nut free school, we do ask all members of our school community to help keep our students safe by not bringing nuts and nut related products e.g. Nutella to school at anytime. We appreciate your support and assistance with this request.

## PARENT HELPERS PROCESS

To help us comply with a range of Ministerial Orders & DET Policies, we have a process for all parent helpers to complete prior to commencing support in our classrooms or attending excursions and events. This forms part of our Child Safe and Induction requirements as a DET school. A COMPASS newsfeed with more information will be sent out shortly. This includes some dates and time for a 15 minute on-site induction process which must be completed by all parent helpers this year.

## IMPORTANT REMINDERS – AMBULANCE COVER & INSURANCE

Parents are reminded that the Department does not provide personal accident insurance or ambulance cover for students. Parents and guardians of students, who do not have student accident insurance / ambulance cover are responsible for paying the costs of medical treatment for injured students, including the cost of ambulance attendance or transport as well as any other transport costs.

Private property brought to school by students, parents or visitors is not insured and the Department does not accept any responsibility for any loss or damage.

I would encourage you to purchase the appropriate ambulance cover and insurances that meet the needs of your family.

## SCHOOL HOURS 8.45AM – 3.45PM

I need to remind parents and carers that our official school opening hours are from 8.45am through until 3.45pm each day. At times we have students who arrive well before this time and also some who stay in the school grounds after that time. There is no adult or teacher supervision of students outside of these times and I request that you make the appropriate arrangements to ensure the safety and well-being of your child.

We are fortunate to have OSHClub available to provide before and after school care for those families that need it.

Principal

## CANTEEN

Welcome back to everyone

The canteen is open for lunch orders on **Wednesday, Thursday and Friday**. Orders can be placed via QKR or by sending a lunch order to the canteen. **PLEASE DO NOT send in a lunch order if you have already placed an order via QKR.**

Volunteers are now welcome back since Covid restrictions have changed from last year. If you are interested in volunteering whether on a regular basis or occasionally please do so through Carebookings.

The parent code is JGU9L and you can then select what dates you would like to help.

Maximum number of volunteers is 2.

The canteen menu is available on the school website or a copy can be obtained from the front office.

A menu will be available for window sales on the website in the near future that will enable parents to help their child/ren to make choices.

If you have any issues that you would like to discuss please contact me at school or alternatively on my email address [miriam.pekolj@education.vic.gov.au](mailto:miriam.pekolj@education.vic.gov.au).

# Connected Schools – A Simple Formula For Parenting by Michael Grose

Show kids how to behave.

Keep pets to develop nurturance and responsibility.

Be the adult in the parent-child relationship.

Cultivate good manners.

Build character daily.

Catch kids being kind, gentle and strong.

Establish healthy habits early.

Stick to routines.

Have fun.

Eat together every day.

Focus on excellence, not perfection.

Spend individual time with each child each week.

Expect kids to change.

Keep an adult only place at home.

Admit it when you're wrong.

Choose time and place to deliver big messages.

Keep the meal table free from arguments.

Prepare for tomorrow the night before.

Expect children to help.

Encourage siblings to apologise.

Send kids to school with breakfast, a kiss and a smile.

Celebrate success as a family.

Spend time in nature together.

Let go.
