

DEPARTMENT OF EDUCATION AND TRAINING

ENROLMENT FORM - INFORMATION for PARENTS, GUARDIANS and CARERS

The Enrolment Form asks you for personal and health information about your child and your family. This information is collected to enable our school to educate your child and support your child's social and emotional wellbeing and health. Our school is also required by legislation, such as the Education and Training Reform Act 2006, to collect some of this information.

Our school relies on you to provide **health information** about any medical condition or disability that your child has, medication your child may take while at school, any known allergies and contact details of your child's doctor. If you do not provide all relevant health information, this may put your child's health at risk.

Our school requires current, relevant information about all **parents, guardians and carers** so that we can take account of family arrangements. Please provide our school with copies of all current parenting plans AND court orders regarding parenting arrangements. Please provide copies of court orders or plans when they change. If you wish to discuss any matters regarding family arrangements in confidence, please contact the principal.

Protecting your privacy and sharing information

The information about your child and family collected through this Enrolment Form will only be shared with school staff who need to know to enable our school to educate or support your child, or to fulfil legal obligations including duty of care, anti-discrimination law and occupational health and safety law. The information collected will not be disclosed beyond the Department of Education and Training without your consent, unless such disclosure is lawful. For more about information-sharing and privacy, see our school's privacy policy:

<https://www.education.vic.gov.au/Pages/schoolsprivacypolicy.aspx>

Our school's use of online tools (including apps and other software) to collect and manage information

Our school may use online tools, such as apps and other software, to collect and manage information about your child. When our school uses these online tools, we do our best to ensure that your child's information is secure. These online tools enable our school to efficiently and effectively manage important information about your child and to communicate with you. If you have any concerns about the use of these online tools, please contact us.

Emergency contacts

Emergency contacts are those people you nominate the school to contact during an emergency. Please ensure your nominated emergency contact agrees to you providing their contact details to our school and that they have read the paragraph above. It is important that you inform them that their contact details may be disclosed beyond the Department if lawful.

Student background information

The enrolment form requests information about country of birth, aboriginality, language spoken at home and parent occupation. This information enables the Department to allocate appropriate resources to our school. The Department also uses this information to plan for future educational needs in Victoria and shares some information with the Commonwealth government to monitor, plan and allocate resources.

Immunisation status

Your child's immunisation status assists our school to manage health risks for children. The Department may also provide this information to the Department of Health and Human Services to assess immunisation rates in Victoria, but not in a way which identifies you.

Visa status

Our school also requires this information to process your child's enrolment.

Updating your child's personal and health information

Please inform our school if, and when, there are any updates to any of the personal or health information you provide on the Enrolment Form.

Accessing your child's records

Our school provides ordinary school communications and school reports to students and parents, guardians and carers who have legal decision-making responsibility for the student. Requests for any other type of student records may be made through a Freedom of Information (FOI) application. Please contact our school and we can advise you how to do this.

Student transfers between Victorian government schools

When our students transfer to another Victorian government school, our school will transfer the student's personal and health information to that next school. This may include copies of student's school records, including any health information. Transferring this information assist the next school to provide the best possible education and support to students.

Documents required to support this enrolment form are;

- ☐ **School Entry immunisation status certificate**
<https://www2.health.vic.gov.au/about/publications/Factsheets/starting-primary-school-brochure>
- ☐ **Birth Certificate – or other official document that provides evidence of child's name and date of birth e.g. passport.**

PUBLISH TO MEDIA

As part of the school's communication with parents and promotion of our school, photographs are frequently taken of our students engaged in a variety of classroom, outdoor and extra-curricular activities. These photographs may be used for a variety of purposes.

Students' names are also published in CONTACT, our weekly newsletter for various reasons and on our Website in recognition of their achievements. *Students' surnames are shortened in all publications or in some cases - only their first name and grade are used (e.g. James K or James 1/2 D).*

We require parent consent to ensure that we have permission to publish photographs and student names (in the above format) as part of any school publication.

By signing below, you consent to the above permissions for the duration of your child's enrolment at Greenhills Primary School

Signature: _____ Date: ____/____/____

HEAD LICE INSPECTIONS

Due to a recent change in health regulations, we are now required to have a signed permission form from parents before a child's hair can be checked.

While it is known that head lice do not carry any infectious disease, for many of our families and teachers, the ongoing presence of head lice continues to create concerns. To try and curb this problem the school will arrange head lice inspections for students.

As we all know, if one child is infested with head lice, chances are, so are many others and if the problem is not treated and appropriate follow ups done, the problem continues to present itself.

The school is aware that this can be a sensitive issue and is committed to maintaining student confidentiality and avoiding stigmatisation.

The person (usually our school nurse) conducting the inspections will simply check through each student's hair to see if lice or eggs are present. If your child is found to have head lice or live eggs, we will notify you discretely and your child will be cared for in a very sensitive manner.

Please note that **a child who has head lice should not return to school until appropriate treatment has commenced.**

I hereby give consent for my child to participate in the school's head lice inspection program for the duration of their schooling at Greenhills Primary School.
