

17th November, 2021

Dear parent/guardian,

Greenhills Primary School is looking forward to another great year of teaching and learning and would like to advise you of Greenhills Primary School's voluntary financial contributions for 2022. Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. On an annual basis School Council works closely with The Principal team and Business Manager to review the budget and set contributions necessary to meet the needs for the next school year.

Greenhills Primary School employs a facilities and maintenance person to ensure our grounds and playground equipment are maintained and presented in a safe and immaculate condition as well as a canteen operator promoting the enjoyment of healthy eating.

We are extremely fortunate to have amazing support from the school community in fundraising ventures. These funds also enable us to enhance the school resources and facilities

The ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- Organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure.
- Purchase quality art, music and physical education equipment and resources.
- Increase our collection of Library books, home readers and classroom literacy sets.
- Renew classroom furniture – Chairs for Year 3 and 4.
- Subsidise our excellent swimming program for Preps to Year 4.
- Upgrade and purchase additional iPads, wireless keyboards and IT equipment.

We thank you for the financial contribution that you make to your child's education at Greenhills Primary School. With your financial support, we can continue to provide your child with the best resources to enhance their learning.
