

## Personal Insurance for students

**REMINDER** – the Department (which includes our school) **does not have personal accident insurance for students.**

If a student is injured at school or while participating in a school activity (including offsite) and requires medical treatment, parents/carers are responsible for all of their child's medical expenses. This includes transport costs such as ambulance costs (which may include an air ambulance if considered necessary).

**REMINDER** – the Department (which includes our school) **does not have personal property insurance for students.**

Items of personal property that are lost, stolen or damaged at school or during school excursions are not the responsibility of Greenhills Primary School or the Department. students are reminded not to bring items of value to school or on school excursions.

Greenhills Primary School encourages parents/carers to consider obtaining their own accident insurance for students and property of value that may be brought to school.
