HEAD LICE INSPECTIONS

Due to a recent change in health regulations, we are now required to have a signed permission form from parents before a child's hair can be checked.

While it is known that head lice do not carry any infectious disease, for many of our families and teachers, the ongoing presence of head lice continues to create concerns. To try and curb this problem the school will arrange head lice inspections for students.

As we all know, if one child is infested with head lice, chances are, so are many others and if the problem is not treated and appropriate follow ups done, the problem continues to present itself. The school is aware that this can be a sensitive issue and is committed to maintaining student confidentiality and avoiding stigmatism.

The person (usually our school nurse) conducting the inspections will simply check through each student's hair to see if lice or eggs are present. If your child is found to have head lice or live eggs, we will notify you discretely and your child will be cared for in a very sensitive manner.

Please note that a child who has head lice should not return to school until appropriate treatment has commenced.

I hereby give consent for my child to participate in the school's head lice inspection program for the duration of their schooling at Greenhills Primary School.
