

Date written: 2004  
School Council Ratified: 19 June 2017

Date reviewed: 2017  
Next review: 2020

**This Policy has been developed by members of School Council.  
This includes both parent and DET representatives.**

### **PURPOSE**

- To develop an awareness of the dangers of exposure to the sun and the need for protective measures.
- To develop positive attitudes and responsible behaviours towards skin protection.
- To encourage practices that can reduce the incidence of skin cancer.

### **POLICY STATEMENT**

To implement this policy:

- The program should be seen as a joint responsibility involving students, parents and teachers.
- The Sun Smart policy will be enforced from the beginning of September to the end of April. (During these months, students are required to wear school hats which protect the face, neck and ears whilst outside).
- Parents will be encouraged to send suitable sunscreen to school for children's use. *SPF 30+ broad spectrum water resistant sunscreen* will also be made available for all staff and students at school.
- Students will be directed to stay under a rotunda if they do not have their hats.
- Students will be encouraged to use available areas of shade for outdoor play activities.
- Students will be presented with class programs on skin protection and vitamin D.
- The Sun Smart Policy will be regularly reinforced in a positive way through newsletters, parent meetings and student and teacher activities under the guidance of the Welfare Committee.
- Outdoor activities will be held in areas of shade whenever possible.
- Staff will be encouraged to act as role models by practising Sun Smart behaviour.

### **IMPLEMENTATION AND ADMINISTRATION**

- Parents will be informed of the school's Sun Smart Policy when enrolling their child.
- Parents will be requested to purchase a school hat for their child's use.
- Parents will be encouraged to provide broad spectrum, water resistant sunscreen suitable for their child's use.
- Teachers will encourage children to apply their sunscreen on a daily basis from the beginning of September to the end of April.
- Where feasible, schedule outdoor activities, such as assemblies, sport and physical education lessons outside the high-risk time of 10.00am-2.00pm (11.00am-3.00pm daylight saving time).
- School Council will work towards increasing and/or maintaining shade, particularly in areas where students congregate.
- Students will be directed to play in shaded areas if they do not have their hats with them.
- Support a "no hat-play in the shade" policy.
- Students will be encouraged to wear appropriate clothing during outdoor school activities  
Example: Wearing a T-shirt over bathers at swimming sports.
- More shaded areas to be established within the school grounds.
- Sun Smart teachers' resources/materials/kits suitable for program development.
- School hats available for purchase at Uniform sales.
- Liaison with the Anti-Cancer Council to ensure access to the most up-to-date resources.

### **EVALUATION AND REVIEW**

The Greenhills Primary School Sun Smart Policy will be reviewed as per School Council Policy and School Council will evaluate its relevance in line with community expectations as represented by parent members on School Council.
